

## VACATIONS — ELEVATED

In the bustling heart of Kissimmee's world famous theme parks, dining, and premium shopping there is an oasis perched atop of a hill— Solara Resort.

Spanning 244 acres, this gated vacation home community of town-homes and single family homes was designed to bring each element of your vacation to new heights. Every home has been thoughtfully designed to give everyone their own private space to relax while also flowing effortlessly into indoor and outdoor gathering spaces. All homes within Solara Resort will include a private pool providing owners and their guests the privacy to unwind after a day spent at the parks or beach.

Solara Resort's eight acre clubhouse and amenity center will boast an assortment of water amenities including a heated grand pool, Flowrider® Surf Simulator, kid's interactive water slides, and a splash pad. Owners and guests can indulge at the full service restaurant and bar, ice cream parlor, and coffee café. Additional luxuries include a state-of-the-art fitness center, outdoor fitness lawn, sundries store, arcade, and much more!
